FROM A COMMUNITY PARTNER:

One of our Early Childhood Teachers resettled in Maryland several years ago. As a child, she did not have the opportunity to attend school in her home country of Afghanistan. At the beginning of June, she attended the Child Resource Connect -Greatness Grows Here Annual Conference with our Early Childhood Teacher Team and earned a certificate for her participation. She proudly told us, "I never dreamed I would be able to earn a certificate, this means so much to me."
