

PRINCE GEORGE'S CHILD RESOURCE CENTER, INC

JUNE 2017 - SEPTEMBER 2017 NEWSLETTER

Greetings from the Executive Director

I am pleased to share the latest newsletter from the Resource Center, featuring a variety of opportunities to connect interact and strengthen your crucial work with children and families. As always, the Resource Center stands ready to support you and the families counting on you. At Prince George's Child Resource Center we believe that the most important thing we can do to strengthen our community and build a brighter future is to invest in high-quality early childhood care and education, health care and family support services. The work that you do – providing rich, nurturing learning environments for our children – is truly a high calling.

And we need to make sure everyone gets the message! Together we're educating elected officials about impact of laws and new proposals; about the value of the early childhood workforce; and we're working with program providers to share your stories and see the policies all around us in our work and in our lives.

Again and again this year, I've been struck by the power of advocacy. One voice at a time, one phone call at a time, one signature at a time, we are making changes. The stakes are high now and we all need to be that one voice. Please visit our blog to find out about the latest policy changes and the momentum we see for our field. You can also sign up on our website to be a part of Joining Voices – you'll get the latest news via email, as well as invitations and opportunities for action.

I look forward to connecting with you soon at an upcoming training, Joining Voices advocacy meeting, or one of our many other special events. Thank you for all that you do for children and families.

Child Care Subsidy: What you Need to Know

The following article was published in the May edition of the Maryland EXCELS E News. It explains the subsidy process that providers need to follow in order to efficiently manage the Child Care Subsidy. Thanks to Jena Smith, Quality Assurance Supervisor, MSDE Division of Early Childhood Education, for allowing us to re-publish the information.

Step 1 -- Return the Signed Voucher. Complete and return Vouchers on the day of enrollment. Invoices that lead to the payment of providers for child care services are not generated until the signed Voucher is received by Child Care Subsidy Central (CCS).

Submit signed Vouchers by: **Fax:** 410-229-0053, **Email:** ccscentral@conduent.com or **Mail:** P.O. Box 17015 Baltimore, MD 21297

Step 2 -- Review and Submit Your Invoice. When the Voucher is received by CCS, an Invoice will be mailed to the child care provider. Carefully review the Invoice to ensure all children are listed and have been provided services at the address on the Invoice.

Call CCS Central at 1-866-243-8796 immediately, when the Invoice has not been received to determine what has caused the delay.

Submit completed Invoices by: **Fax:** 410-229-0010, **Email:** mdccsppinvoices@conduent.com or **Mail:** P.O. Box 17543 Baltimore, MD 21297

Step 3 -- Checking on Payment. Allow 3 days for the Interactive Voice Response (IVR) line (1-866-243-8796) to associate your Invoice with your Provider I.D. If after three days the IVR does not state that your Invoice was received, transfer to a CCS Central customer service representative for further assistance.

The LOCATE Complaint Policy

When a complaint is received by LOCATE, it is categorized according to the seriousness of the complaint: serious complaint (any threat to the immediate health, safety or welfare of a child); less serious complaints involving a violation (violation of regulation that does not pose a threat to the health, safety or welfare of a child); and less serious complaints with no violation. When a serious complaint is received, no referrals are made to that provider/facility until an investigation is completed by the appropriate regulatory agency. Should the investigation result in no finding, the “hold” status is removed from the provider’s files and referrals are resumed. Visit our website at www.childresource.org for the complete policy. Copies are available in our Resource Room. The policy is available in its entirety at www.marylandfamilynetwork.org/complaint-policy/.
