

PRINCE GEORGE'S CHILD  
RESOURCE CENTER, INC

**Project WIN  
(Wise Intervention Now)**

**PARTNERSHIP AGREEMENT FORM**

\_\_\_\_\_ (Program Name) is pleased to enter into a partnership agreement with Prince George's Child Resource Center's Early Childhood Mental Health Consultation (ECMH) services, Project WIN. The Program agrees to invest into this collaborative relationship with the assigned ECMH professional.

Project W.I.N. promotes positive social and emotional development, which is a key to school readiness! Prince George's Child Resource Center's Early Childhood Mental Health Consultation Services are *free* and include:

- telephone consultations for child care providers,
- site visits by early childhood mental health professionals conducting observation,
- technical assistance for environmental enhancements,
- developmental and social emotional assessments
- referral of children to agencies/community resources as needed,
- training for parents and providers, and
- follow-up technical assistance.

The Program agrees that a consent form for any child receiving individual services will be supplied to Prince George's Child Resource Center's Project WIN ECMH professional(s) *before* any services are rendered.

If a child enrolled in the Program exhibits signs of challenging behavior, the Program will contact Prince George's Child Resource Center's Project WIN by calling 301.772.3607.
