

New Online Training Site NOW AVAILABLE

<https://www.prosolutionstraining.com/md>

Maryland Family Network is proud to partner with ProSolutions Training to bring you five new online training series. These trainings are sure to increase your knowledge and skillset on each topic area. Series topics include:

- 24-hour Family Child Care Initial Training
- 45-hour Child Growth and Development
- 45-hour Director (Administrator)
- 45-hour Infant Toddler Methods and Materials
- 45-hour Preschool Methods and Materials

Each series will take you step-by-step through each course. The courses build upon one another to create each module. When you finish all the modules, you'll have an excellent understanding of the training topic and earn your certificate. Plus, courses include interactive elements, such as videos and games,

Other courses from ProSolutions Training on a variety of ECE industry topics are also available to buy at the site. Visit <https://prosolutionstraining.com/md> to access the training.
