A Message from Mariela, our New FSC Director

As we begin 2023, I'd like to take a moment to reflect on the past year. This year the Adelphi/Langley Park Family Support Center did great work bringing in new families and reopening after its prolonged closure due to the pandemic. On a personal note, I am honored to have taken on the role as Director and am looking forward to all that we will accomplish in 2023.

REOPENING THE FSC

After working virtually for so long (28 months!), in August 2022, we were finally able to reopen our doors to our participants, offering in-person testing and services once again!

A very special thank you to all of those who volunteered countless hours helping us to totally revamp the center in preparation to welcome back our participants!

HOLIDAY DONATION DRIVES

The biggest donation events of the year occurred in November and December with the Thanksgiving Basket Drive and the Holiday Helper Drive. In November we distributed **27 food baskets** to families in need, and in December we gathered hundreds of donated gifts to provide **25 families** with presents for the holidays! Shout out to those who donated toys, clothes, supplies, and more!
