

# Fundraising and Networking Event: Bowie Baysox

## CALL FOR SPONSORS

Bowie Baysox is a local favorite, and viewing the game from the Diamond View - located directly behind home plate - creates the perfect atmosphere for this event. **All tickets include buffet dinner and box seats.** Join our stakeholders, board members, partners, staff, families and program participants served by Prince George's Child Resource Center. **Your sponsorship will help create healthy and nurturing environments for children.**

### 2023 MARKS A SPECIAL MILESTONE FOR PGCRC

This will be our first Baysox event since 2019. The last three years brought unimaginable challenges and loss for all of us – as individuals, as communities, and as an organization. Yet together, the Board, staff, and supporters of PGCRC persevered to find our way through. We stayed true to our values of empathy, integrity, inclusiveness and commitment. As a result, we cared for each other and served the community in innovative ways. **Our organization is stronger.**

Reflecting that growth and innovation, and to include our exciting expansion into Anne Arundel County in 2022, we are in the process of transitioning to our new name: Child Resource Connect. Stay tuned to find out more as we “make it official”

## HOW WE'VE GROWN

Timeline from 1990-2023

## ABOUT PRINCE GEORGE'S CHILD RESOURCE CENTER

Prince George's Child Resource Center helps create healthy and nurturing environments for children by supporting and educating their families and their caregivers. Each year, we provide support to over 1,500 families and training to over 2,000 childcare providers, parents, and human services workers. We do this through childcare provider training and coaching programs, advocacy efforts, home visits, adult education, direct services, and much more. Through our network of quality, equitable, reliable, and accessible childcare, parents and caregivers can focus on finding gainful, meaningful work that allows for income stability.

Along the way, caregivers learn to advocate on behalf of their children, their families, and their community. This collective impact results in increased opportunities for children to flourish and thrive.

Your support goes beyond a single child — it sets the next generation up for success, leading to a brighter future for us all.
