A MESSAGE FROM MARIELA

Hello!

It's the month of gratitude and kindness. Remember to do something kind this month, see the sample "Acts of Kindness" calendar inside!

"KINDNESS IS A SILENT SMILE, A FRIENDLY WORD, A NOD OF ENCOURAGEMENT. KINDNESS IS THE SINGLE MOST POWERFUL THING WE CAN TEACH CHILDREN." -Unknown

CHILD DEVELOPMENT CLASSROOM

The theme for the child development classroom this month is family. Children learn about themselves and people around them. Having discussions about family and the holidays fosters a sense of belonging, which can be beneficial for both child and parent.

The book that we will be highlighting will be Who's in a Family? by Robert Skutch. This story talks about having large families, small families, two moms, one dad, and grandparents—this book's broad and inclusive illustrations cover families from different backgrounds to encourage children to celebrate diversity and the things that make their own family unique.

SERVICE COORDINATION

We are thrilled to continue offering our Group Therapy sessions this month, where participants can feel secure to share their experiences and grow together. We are proud of all of you who are taking the time for self-care and attending these sessions.

Don't forget to participate in our ESL classes and PACT both in-person and virtual sessions. As a reward for good attendance, we are opening our "Tiendita", where participants can choose their preferred items. For additional information, please contact Ms. Kathia Donalicio.

We are also excited to invite you to our Parent Support Group's "Thanksgiving Celebration" where we can come together to enjoy delicious food, celebrate our traditions, and express gratitude (See calendar).

ADULT EDUCATION CLASSROOM

In this season of celebrating gratitude, it is important to bear in mind another valuable virtue we should practice daily..the virtue of KINDNESS..

I share with my students one of my favorite quotes by Morgan Freeman: “How do we change the world? One random act of kindness at a time...”

Not only do they understand the concept, I see them practice it daily. I observe my students in class and how much they care for each other and do just little things that make a big difference. Whether it is helping each other with tasks, collaborating in teams, or merely sharing their thoughts on issues that they are worried about.

They are one kind loving family that practices kindness because “it is a way to make a connection and a simple but powerful way to build a bridge between hearts..”
