A NOTE FROM MARIELA

Greetings,

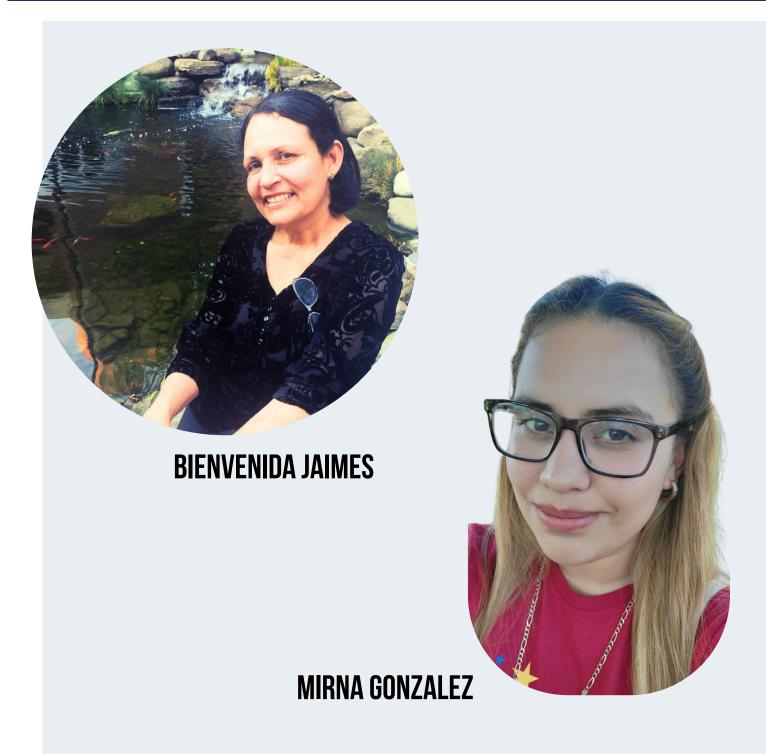

Happy June! We just completed our Nurturing Parenting program and have 13 participants that completed the program.

This month, our semester will end on June 18th and we will celebrate 6 graduates! We are so proud of everything they have been able to accomplish during their time enrolled in our program. We are also celebrating our Child Development team for their successful ITERS-3 observation in the classroom!

CHILD DEVELOPMENT CLASSROOM

The theme for the child development classroom this month is summer fun.

We will discuss safe summer activities such as water and sand play. The book that we will be highlighting for this month is <u>And</u>

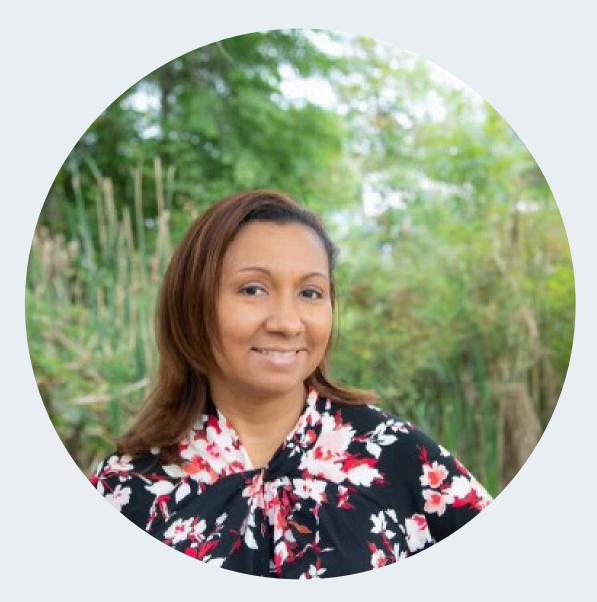

<u>Then Comes Summer by Tom Brenner.</u>

This fun-filled book showcases many of the fun activities that occur when school ends and summer begins!

ADULT EDUCATION CLASSROOM

I wish to express my special thanks to the spouses and partners of my students, who love and support their wives in their everyday life and encourage them in their language learning journey. It is obvious that they love, protect, provide, and work hard to be the best fathers for their families.

Please, know we appreciate your patience and all the efforts you put in to make the best for your families daily! You are true heroes for your children and your families! HAPPY FATHER'S DAY!

This month, the semester will end June 18th and resume in July. Thank you for your hard work this semester.
