A MESSAGE FROM MARIELA

Greetings and Happy Spring!

As our families return from their Spring Break, we are excited to see them again and to also begin a new semester with some new students.

This month is also our Advisory Board where we will bring out our blue pinwheels to share with our community partners and families to raise awareness and prevent child abuse. Hope to see you there with us!

Child Abuse Prevention Awareness Month
As we observe Child Abuse and Neglect Prevention Month this April, our hearts are filled with compassion for all those who have experienced such trauma. We’re taking this opportunity to raise awareness and offer Nurturing Parenting classes throughout the month, so we can all learn ways to promote the social, emotional, and physical development of our little ones positively.

We’re thrilled to welcome six new families into our program this month: Sandra, Kenia, Kenny, Esperanza, Reina, and Dorca. We extend a warm welcome to them and look forward to supporting them on their parenting journey.

The theme for the child development classroom this month is reduce, reuse, and recycle to celebrate Earth Day. We will learn how to reduce waste, reuse materials, and recycle sustainable items. This helps children understand how pollution affects our world and how we can keep our classrooms clean.

The book that we will be highlighting will be Pepper Learns about Recycling by Sterling Publishing. This book talks about how Pepper learns all about recycling and how to sort and reuse items for future use!

Welcome spring! We are starting the spring/summer session with new expectations, goals, and new participants.

Happy to welcome 6 new students who will make a wonderful addition to our Adult Education Family. They were all properly placed and excited to start a new chapter in their life by being a part of our center!

I am also proud to announce that my Level 2 students were promoted to Level 3 and the transitional Level 3 moved up to Level 4.

Many more participants will be joining in person, which makes us very happy and makes learning a lot more efficient for the students. The classes are truly engaging and those on maternity leave join the classes virtually without waiting because they are motivated and eager to learn! So thank you all for your participation and thanks to my amazing staff for their support!

PARTICIPANT OF THE MONTH: SUGLY D.

We would like to congratulate Sugly D., who was crowned participant of the month in spite of just having a baby in the hospital.

In addition to attending activities for her toddler son, she also attends support group sessions and continues to work toward her goals. We are very proud of Sugly for her resilience. She is an absolute star! We are inspired by her strength, dedication, and commitment to her family on a daily basis as a student, a parent, and as a woman!

She has progressed from level 2 to level 3 and now to level 4! It’s been an amazing journey watching her grow and progress.
