A NOTE FROM NATHALIE

Hello February!

Although it is the shortest month, it's packed with special days and significant history celebrations.

We honor the ongoing and historical contributions of Black Americans this month and celebrate the Lunar New Year! We are so fortunate to have such diverse staff and multicultural participants- learning about one another's cultures and appreciating our differences truly takes our connection to the next level.

This month also includes Valentine's Day, a day celebrating love, and you know what? I can wholeheartedly say that our team LOVES each and everyone of our participants and their children. We thank you for continuing to take this journey with us and we cannot wait until we can be together in person again.

In this together,

Nathalie

CHILD DEVELOPMENT CLASSROOM

The themes for the child development classroom this month are: Love and African American History. We will learn about how to give, spread, and receive love from our peers and families.

In addition, we will also learn about some prominent figures that have paved the way throughout African American History. The book that we will be highlighting will be "I Am Enough" by Katie Depalma. This story highlights differences amongst persons. The central theme of the story is that although we all may be different, we can get along, help and love one another.

We have a special birthday this month:

Douglas 2/18 (4 years)

Happy Birthday!

KATHIA JAMES

SERVICE COORDINATION

The Service Coordination group theme this month is Loved and Vaxxed! We are celebrating our families getting the COVID vaccines. Being healthy is important and making the decision to get the COVID vaccine for adults and children protects our present and future generations.

Benefits of getting the COVID-19 vaccines:

- Getting vaccinated against COVID-19 can lower your risk of getting and spreading the virus that causes COVID-19.
- Vaccines can also help prevent serious illness and death.
- All steps have been taken to ensure that vaccines are safe and effective for people ages 5 years and older.

If you already had COVID-19, you should still get a COVID-19 vaccine for added protection. When you are up to date on COVID-19 vaccination, you can resume many activities with proper precautions (e.g., mask wearing in indoor public spaces).

Happy Birthday to the following participants:

Soma R. 2/3
Lourdes A. 2/7
Glenda H. 2/17
Sadiya I. 2/23

ADULT EDUCATION CLASSROOM

By the time you read this note, I would have retired but it is important to me to let you know that I will miss you.

I will always keep the great memories we made together in my heart. I am proud of all your families and the effort you put into making yourselves better everyday.

Keep moving forward!

OFFICE MANAGER UPDATES

Happy Valentine's Day!

One of the fastest ways to someone's heart is through their stomach. Let's spread the love by sharing pictures of a sweet treat to let us know how you will be spending this Valentine.

Encourage your family, close ones, and friends to get the vaccine and hopefully end this pandemic!

LOVED & VAXXED is our theme. Help us celebrate by taking it a step further by sharing a treat with someone who might not have a Valentine!

For more information on how to obtain a free car seat email me at jhernandez@pgcrc or call me at 301-431-6210 EXT-1100.

PARTICIPANT OF THE MONTH: SUGLY D.

Congratulations to this month's Participant of the Month: Ms. Sugly D.!

Ms. Sugly has been in the program for quite some time. She readily participates in the activities given by the Child Development Team. She cares for her baby and makes his well-being a top priority. She is also very pleasant and receptive to any information given.

Participant Sugly has shown interest in completing all the steps to continue being part of the ESL classes such as: having good communication with our Service Coordinator, Asking questions in order to be able to follow the steps to attend the ESL testing appointments, completing her Covid-19 form online, having good attendance to all sessions and communicating when she is not able to do it.

Congratulations Ms. Sugly!
